TO WHOM IT MAY CONCERN
RE : Kothembekile Vilakazi
VLKKOT001

Dear Sir / Madam

This letter serves to confirm that Kothembekile Vilakazi, Student No: VLKKOT001 has spent 5 weeks with Motheo Construction Group from 12 June 2024 to 19 July 2024 to gain workplace experience.

Key areas in which work exposure and experience were provided include:

- Bricklaying:
 - Setting out of Building Structure.
 - Leveling of the structures done.
 - Building structures.
- Carpentry:
 - Cut materials according to specifications using hand and power tools.
 - Fabricate, erect and strip steel and timber formwork.
 - Finish carpentry activities.
- Building and Administration
 - Recording of daily site registers for activities done.
 - Determine and implement activities and quantities involved.
 - Implement OHS prescripts such as tool box talk.
 - Monitor and maintain site records.
- Plumbing
 - Changing sanitary fixture tap head parts for basin pillar tap and shower tap.
 - Removal of blockages using chemical drain cleaner on 50mm sink waste pipe where there is no access.

Please contact our office if any further information is required.

Yours faithfully

Blessing Modingwane
